“

KIIT Technology Business Incubator (KIIT TBI), Bhubaneswar will be completing 12 years in Nov this year. The 12<sup>th</sup> year anniversary marks an important milestone for us as we look back at our journey of glorious existence of more than a decade contributing to the innovation, entrepreneurship, and social upliftment of the Eastern & North Eastern Region in particular and the country as a whole. The vision that promoted Prof Achyuta Samanta, Founder, KIIT & KISS to initiate this innovation ecosystem in 1,30,000 sq ft in Odisha is to uplift the entrepreneurship ecosystem and spur translational research by bridging industry-academic collaboration in the state.

KIIT TBI, over the years, has made a concerted effort to work towards fulfilling its mandate of “**Empowering and Enabling the Innovation Ecosystem**”, and has supported more than 350+ Startups Supported, 170+ Patents Filed, more than 250+ Products and Technologies Reaching Commercialization and Startups Raised 13 Billion+ Private Investment. The milestones achieved are due to the strong support from the Government of India including, DST, DBT, BIRAC, TDB, MSME, Meity, Invest India, Startup India, Startup Odisha, and the strong relationships that we built along this journey with the entire innovation community, our academia partners, investors, especially our innovators who have partnered with us as they sail through their entrepreneurship journey.

We will be celebrating this 12 years of the joy of entrepreneurship with a series of anchored around our first Startup Innovation Conclave to be held on December 9<sup>th</sup> and 10<sup>th</sup>, 2022 at KIIT TBI, Bhubaneswar. The event will witness a conglomeration of policymakers, Startup expo, Industry-Academia meets, product launch, and will include a variety of programs such as mega industry conferences, plenary talks, technical exhibitions, B2B meetings, round table discussions as well as breakout sessions which would enable the promotion and fostering of business(es) and entrepreneurship. ”
